I would like to take a brief moment before we continue to recognize that as many of us are settlers on this land, it is our collective responsibility to pay respect and recognize that this land is traditional territory of the Mississaugas of the New Credit First Nation and that we are here because this land was occupied. In recognition that this space occupies colonized First Nation territories, and out of respect for the rights of Indigenous people, it is our collective responsibility to honour, protect and sustain this land.
